## INSTRUCTIONS - FORM 900ME

**Do not use Form 900ME vouchers if you remit income tax withholding by electronic funds transfer, or if you have no withholding for that period.**

If you do not remit via electronic funds transfer, use these vouchers when making payments of withheld income tax. Complete one voucher and forward with each payment to Maine Revenue Services. **Use the address labels in the back of this booklet when mailing your payment and payment vouchers.**

Voucher Forms 900ME in this booklet are preprinted with your withholding account number and business name. Enter the total remittance on line 1 and on line 2 the beginning and ending dates of the quarter in which the related wages or nonwages were paid. For example, if the wages or nonwages were paid in the first quarter (Jan. 1 - Mar. 31), then enter **01-01-06 - 03-31-06** on line 2. List on line 3 the payroll date or nonpayroll payment date and amount withheld for each payroll or nonwage payment within the period included in the total remittance.

If a pay period spans the end of a quarter, and if wages or nonwages are paid on payment dates that fall in each of the two quarters, **separate** payment vouchers for each quarter must accompany the payment.

For each quarter, file the combined income tax withholding/unemployment contribution return (Form 941/C1-ME) or return for withholding only (Form 941ME) by the last day of the month following the end of the quarter to report total withholding for the quarter and to reconcile the payments made during the quarter to the total withheld.

For further instructions and information, see your Form 941ME or Form 941/C1-ME booklet. These quarterly booklets are scheduled to be mailed in mid-March, 2006.
